

SMILE IT'S SUNNAH!

ALL THE NEWS THAT'S FIT TO PRINT BROUGHT TO YOU BY NEW MADINAH TIMES

End of Week 6 Already!

Assalamu Alaikum Dear Parents & Carers,

SubhaanAllah 6 weeks of school has already passed by, it is amazing how time just flies by. Rest assured parents, the time has not gone by in vain. So much has been accomplished thus far and we are passionate to keep on going all the way to get the best out of your children with the help of Allah SWT.

Sunnah Day was a great success Alhamdulillah. Students were dressed so beautifully in their sunnah clothing, ma shaa Allah it brought such joy to all of our hearts. I would like to thank all the parents who helped on the day, you did such a wonderful job for the students of New Madinah College, the effort is all worth it when you see their smiles Alhamdulillah.

This week we have started our Learning Support Program for students who have been recognised of needing an extra push to reach their full potential. During these sessions an intensive one-on-one program will be delivered with your child and in shaa Allah we expect to see some great results.

Miss Nada

Principal's Message

All praises be to Allah SWT and peace be upon his noble messenger Muhammad PBUH. Assalaamu Alaykum Wa Rahmatullahi Wabarakatuh,

I congratulate all children for completing the first half of term one and encourage all students to continue to Strive for Excellence as we commence the second half.

I also would like to thank the parents for providing for their children's learning needs and also encourage parents to continue to provide a home environment that complements the College's learning and Islamic objectives.

In order for our College community to improve on the great effort that we have seen at the beginning of the year and for our children to be alert, effective and attentive learners, it is important that each child is implementing the following at home every day:

1. Having plenty of rest and sleep, 8 - 10 hours per night is essential
2. Having nutritious meals and snacks after school
3. Having a nourishing and filling breakfast in the morning
4. Having some physical play time away from TV and video games
5. Completing set homework, 1 hour is recommended

Please ensure that the above points are being achieved on a daily basis. In doing so you will be giving your child the best opportunity to Strive for Excellence. May Allah SWT shower our wonderful College community with his blessings.

Mouhamad Chmait - Principal

Weekly Hadith

A man said: "Messenger of Allah (peace be upon him) what rights can parents demand from their children?" He (peace be upon him) replied, "They are your Paradise and your Hell." Al-Tirmidhi

CLASS LEARNING

AN INSIGHT INTO OUR GEMS WEEK OF LEARNING

K RUBY

Assalamu alaikum parents, relatives and caregivers. I am happy to report that Kindergarten is making wonderful progress this term and that everyone appears to be right where they should be in terms of the programs. Homework will be given out Monday and it is nice to see that kindergarten are looking forward to it. In regard to, homework we have tried to design it this year so that there is an even balance between interactive activities and developing those finer motor skills (Writing). A homework pack will be sent home and will be expected to be returned in the last week of term. Their homework books however will be expected to be returned each Friday. I hope you all enjoy the activities put into it. Kindergarten themselves have asked for set activities and helped to design it. Which was a very fun filled and involved process.

On Thursday we had our trip to the Lachlan River in order to collect data samples about living things. It was a very enjoyable day and I am very pleased with Kindergartens behaviour during the trip on their first out of school outing. Later we observed our findings under a magnifying class, identifying characteristics about our samples and putting them into a whole class graph.

Next Wednesday we have our trip to the Chinese Tribute Gardens and it is a whole day excursion. If any parents would like to accompany us there and help out they are more than welcome. We expect it to be a very enjoyable day. Thank you with your efforts these past week in helping kindergarten to get organised and with the ABC cards . Regards, Ms Nikki

1/2 PEARL

Assalum Alaikum!

It has been a busy couple of weeks for year 1 and year 2. One exciting activity that they enjoyed was looking at some live worms and seeing how they live, feel and move around. See Seesaw for pictures! They have a science project coming up that they may need your assistance with! I will be sending home the information for the project this week. If you have any questions, please feel free to contact me!

They also enjoyed being creative with paper bag puppets and then they took the time to describe those puppets. They are getting very good at using describing words.

Finally, just a reminder that their homework is handed out on Monday and then it all needs to be brought back in their folders every Friday. Thank you. Regards, Ms Clare

OF THE COLLEGE

3/4 EMERALD

We have made it to week 6 and with only 5 weeks of this term left the time is going very quickly.

I am very impressed with the class progress in all Key Learning areas. The art work that is being produced is beyond expectations. A glimpse of the students' art work is available for viewing on Seesaw.

The students continue to astound me with the progress in the formatting of an information report and a narrative. These text types are being studied this term and have been approached by all with great enthusiasm and commitment for improvement and expansion of their prior knowledge.

3 / 4 Emerald was this week awarded the Class of the Week award, for the second time this term. I couldn't be prouder of each students' commitment to be the best person they can be and give everything a go.

Thank you to all the parents for encouraging their children to complete their homework to a high standard and return it each Friday.

There are two assessment projects to be completed at home this term. The first is a History project, the paperwork has already been sent with your child, this is due back to school by Friday the 16th March 2018. The second project is a science assessment with the paperwork to be sent home this Friday. They are assessments and as such is to be completed solely by the student.

I am looking forward to a dynamic and fun filled remainder of this term.

Regards, Ms Catherine

5/6 SAPPHIRE &

7 DIAMOND

Mr Khaled

Asalam alaykum parents and guardians.

This past fortnight has been a very productive one. The students have just completed their mid-term assessments, and Alhamdulillah their results have been impressive. Last Thursday we had our first Sunnah Day of the year. It was lovely to see all the students in their amazing clothing. The students also had the opportunity to purchase some sweet treats from the cake stall. Although we have just passed the half-way mark of this term, there are so many things to look forward to. We have some special guests coming to visit Stages 2 and 3, as well as the Athletics Carnival to end the term. I would like to remind the students to keep doing their best and to strive for excellence.

Regards, Mr Khaled

Ms Sarah

Stage 3 *'We're Going on an Excursion!'*

On Thursday year 5 and 6 are not only doing their second mathematic exam, they are also going on an excursion to Lachlan River. During the excursion, they are going to learn about how to identify different trees from their leaves. Also, stage 3 students are buddying up with the Kindergarten students. This will teach the students the great skill of being responsible Muslim Leaders. We look forward to accompanying them on their science adventure.

Stage 4 *'Our Projects are on the Way!'*

Big weeks are about to begin, and amazing products are about to be shown. I am thrilled to announce that student from year 7 have progress wonderfully in their TAS project. Also, let's wish them good studies and wish them to perform well in their first Mathematics exam this Friday.

Regards, Ms Sarah

LUNCH ORDERS

Please send your child's lunch order written on a brown paper bag with their name, class and order. If sauce is required, please write your child's selection of sauce with their order.

CHINESE TRIBUTE GARDENS

*** 14th March 2018***

Please return the permission slip if you haven't already done so. Also make sure to include the cost \$ 3.00 for the bus service.

ABSENCES

If your child is absent from school for any reason, please remember it is a mandatory requirement to explain their absence. Therefore, please send a note explaining the absence the day your child returns to school.

Thank you ☺

UPCOMING EVENTS

Date	Event
14 th March	K to 2 Excursion to the Chinese Tribute Gardens
5 th April	Year 7 TAS Fundraising Stall
12 th April	Athletics Carnival

Sudoku Puzzle

How to play:

Every Sudoku has a unique solution that can be reached logically. Enter numbers into the blank spaces so that each row, column and 3x3 box contains the numbers 1 to 9.
