

IQRA IQRA IQRA (READ)!

ALL THE NEWS THAT'S FIT TO PRINT BROUGHT TO YOU BY NEW MADINAH TIMES

Salaam Oh Ramadan!

Assalamu Alaikum Dear Parents & Carers,

What a fantastic 2 weeks it has been! The community spirit is wonderful Alhamdulillah. A huge thank you goes out to the CPC members and staff who helped set up for Book Fair Week! It really was such a fun and exciting week for everyone!

The Book Fair Assembly was so much fun too, congratulations to all the students who participated in the Author Your Own Book/Design an IQRA Poster competition, you all did such an awesome job and I am proud of all of you!

Term 2 assessments will begin next week and spread out into week 8, this is the time students will be assessed on all the learning they have covered throughout the term. I would like to ask all parents to ensure their children are completing their set homework. I wish students all the best, and I hope everyone receives the high results they are aiming to achieve bi iznillah.

The last 10 days of Ramadan are now upon us, I would like to remind everyone including myself to take advantage of this blessed time where Allah SWT bestows his mercy on his believers. Regards, Ms Nada.

Principal's Message

All praises be to Allah SWT and peace be upon his noble messenger Muhammad PBUH.

Assalaamu Alaykum Wa Rahmatullahi Wabarakatuh

The blessed month of Ramadan is approaching the end with the last 10 nights now commenced. I ask Allah SWT to allow everyone to make the most of this blessed time accept our deeds and erase our past sins.

This week we held our very first Book Fair featuring Islamic as well as Scholastic Books and stationary, Alhamdulillah I am pleased to say it was a great success. Inshaa'Allah we are always striving to provide our students with that which benefits them.

I look forward to the upcoming events at the school, including Eid gift day, Eid Ul-Fitr holidays and an upcoming Canberra Excursion at the end of the term inshaa'Allah. Please take note that the school will be closed for Ramadan holidays the 15th and 18th of June.

With the last 10 nights now commenced, I ask Allah SWT to allow us to witness the night of Qadr, which is better than 1000 nights.

Assalaamu Alaykum, Mouhamad Chmait - Principal

Weekly Hadith

A'isha (RA) reported: "The Prophet (peace be upon him) used to strive hard (in worship) during the last ten days of Ramadan in a way that he did not strive at any other times." [Muslim, 1175]

Assalamu alaikum!

Assalalilum and welcome to week 6 term 2. Kindergarten have started to make their way through the end of semester exams and I am very happy to report that they are doing very well. Please remember to make sure in these last 4 weeks that they get plenty of rest and eat well. Please also allow them to relax a little after school as some days will require them to sit and concentrate for longer periods of time. Kindergarten's rest time is just as important as their time spent studying.

Kindergarten will be getting all of their semester 1 exams back with their report card in the last week of school. There will be no teacher interviews this term as they are conducted in terms 1 and 3, while repots go out in terms 2 and 4. However, if there are any issues or problems please feel free to come and speak to me.

Also, I want to congratulate Kindergarten on their efforts in helping to make the decorations for the book fair. They all looked fantastic and I am sure they will look wonderful decorating your home when you take them home next week. A lot of time and effort went into them during our art lessons and their determination to get them done and looking that great really shines through.

Lastly, I would like to take this opportunity to wish you an EID Mubarak and we hope you all have a safe and happy holiday surrounded by friends and family. Please remember that we have Monday the 11th off and the 15th and 18th off for EID Al- Fitr. Travel safe!!!

1/2 PEARL

Assalamu'alaykum,

Week 6 has been another busy week with year 1 and 2. They have really enjoyed having the book fair week. They spent time looking at the books and creating a wish list about what they would love to read. We spent some extra time reading and enjoying books this week too. Another exciting development was the planting of a tree as a class in the playground. We now have the very important job of watering the tree which a student will be chosen each week for this honour. In the next couple of weeks the students will be assessed on all that they have been learning this term. I am already impressed with how much they have improved in their work since the beginning of the year. I hope you all enjoy the rest of Ramadan and the blessings it has brought you and your family.

Ms Clare

3/4 EMERALD

The end of term 2 is fast approaching.

The students have coped well with Ramadan and Eid is just around the corner.

The students are progressing well, and I am very proud of the effort and enthusiasm they display.

Book fair has been a great success. Every child should be encouraged to read as much as possible and as frequently as possible to improve their reading, comprehension and writing skills. Homework is a compulsory and vital part of the students learning. This reinforces concepts learnt in class during the week. Homework is to be returned to school every Friday and home readers are to be exchanged as needed throughout the week. Keep up the great work 3-4 E!! 😊

MS AMIRA

I had the pleasure to teach Ancient Egypt and currently starting on the Ottoman Empire to the Year 7 students. We enjoyed the lively discussions of the topics and it was great see students' effort in developing a travel brochure for Ancient Egypt. I hope students will revise their topics as the end of term exam is approaching soon. I wish them all the best inshallah.

Students will be studying geography for the next semester, nevertheless the historical concepts and skills will be carried as part of their learning experience in year 7.

I had the pleasure to teach English to stage 3 students. We explored many skills in spelling, reading and writing. I am pleased with the progress the students made in their mid- term assessments in English and the effort students dedicate to their work. Please encourage your child to read their novel ' Refugee' as it set part of reading for homework and practise IXL for their maths skills.

I would like to thank Ms Ellen for offering her services every Tuesday and Friday to support S3 and S4.

Best Regards, Ms Amira Aguleh

MS SARAH

Essalem aleikom,

Sunnah day was fantastic today, it was nice to see the students all dressed up! Also, Book fair worked out well Alhamdulillah, it was a real pleasure to be a part of it all.

Year 5 and 6 had a mathematics exam on Thursday, I am hoping all students did their best. On Wednesday we did a big revision session, and on the day of the exam we played a little competition game to review our notes, let's see how it reflected on their marks!

Moreover, last week we had the chance to do some experiments on liquids and gasses. We discovered that a glass could contain air and keep a napkin dry even though it is completely submerged. We also had the chance to see the power of gravitation through an overnight experiment, where we could see water being transfer to another cup by using gravity and a napkin.

Year 7 also did a mathematics exam, in conclusion we realise we still need a little bit of practice. Other than that, we got the chance to do few experiments this week, and I believe the students really appreciated it. At the moment the students are excited about their paper mache masks being worked on in class. It is quite hard and meticulous, but the students are doing well! Inch Allah, the finish product will reflect on the hard and wonderful effort they have been putting it. That Is it for me!

Thank you for giving me the chance to know and teach your children!

EID GIFT STALL

14th June
Gifts range
from
\$5 to \$20

BUY A GIFT FOR
MUM, DAD,
GRANDMA AND
GRANDPA!

MONTH OF GIVING

We highly encourage you to send some change with students to put in the class charity tin. This will get students in the habit of giving in charity. All donations received are donated through Muslim Aid Australia to the Most in Need.

Suggestions!

Don't miss our suggestions box in the front office!
We want to know where you would like to see New Madinah College going in the future!
We look forward to hearing from you!
