

# SALAAM TERM TWO 2018

ALL THE NEWS THAT'S FIT TO PRINT BROUGHT TO YOU BY NEW MADINAH TIMES

## Final Stretch!

Assalamu Alaikum Dear Parents & Carers,

Alhamdulillah who can believe we have reached the half way mark of the 2018 school year already? I certainly can't, Alhamdulillah for everything! It has been such an eventful and exciting term, and in shaa Allah better and bigger things are yet to come.

This week students sat for their mid year exams, may the results be pleasing and in shaa Allah students continue striving for excellence... they say 'you reap the rewards of the effort you put in' 😊.

Alhamdulillah from my end I must say I am so very happy with the results of students in all years. They have shown me that they are capable, all it takes is a little bit of focus and effort in shaa Allah. With the help of Allah SWT by the end of the year I hope to see Stage 2, 3 and 4 students reading and writing Arabic to their level, everyone please say AMEEN!

Although it is the end of the term and exams are mostly over, students will continue reviewing key concepts during the next 2 weeks to ensure they have retained all the knowledge. Reports are being accumulated and in shaa Allah will be sent home with students the last day of term 2.

## Principal's Message

All praises be to Allah SWT and peace be upon his noble messenger Muhammad PBUH.

Assalaamu Alaykum Wa Rahmatullahi Wabarakatuh

I hope all families had a blessed and happy Eid Ul-Fitr! Student's were very excited to come back after Eid and share their stories! May Allah SWT bless our children and fill their hearts with contentment and imaan.

We are close to the end of term 2 with the term break fast approaching. During the next two weeks we have some exciting upcoming events including an excursion to Canberra on Wednesday, 4<sup>th</sup> July and the end of term assembly on Friday, 6<sup>th</sup> July. Please read excursion notes thoroughly and return by the due date the 27<sup>th</sup> June. As for the end of term assembly we look forward to seeing you all there at 10am.

Last week we introduced a whole school goal that is alligned to the Positive Behaviour for Learning (PBL) program we implement at school. Every week we set a new goal for all students to work towards. Last weeks goal was to 'Put Your Hand Up to Speak', and next weeks goal is to 'Be Silent When Someone is Speaking'. Implementing this goal at home as well as school will help reinforce the PBL expectation and allow us to achieve our goal faster! Wishing you a blessed Jumu'a.

# CLASS LEARNING

## AN INSIGHT INTO OUR GEMS WEEK OF LEARNING

**K RUBY**

Assalam alaikum parents and friends we have now finished our exams and assessments for the semester and looking back through them I am very pleased with Kindergartens results. They have made tremendous progress these past 2 terms. Thank you also to all the parents that were behind the scenes making sure they came to school fresh each morning. They literally walked into class ready and waiting to do their exams.

You will be receiving Kindergartens report card on the last day of week ten (2 weeks from now), along with their assessment folders. Kindergarten will also be hosting an item at this term's final assembly on the 6th of July. Can they please come on the day dressed in their tie dye shirts and crazy hair i.e something you might see in a DR Seuss book. So, don't be afraid to get the coloured hair spray pipe, cleaners and teasing brushes out. We hope to see you all there and feel free to invite friends and grandparents along as well. The assembly this year will be at 10 instead of 9 in order to give us one dress rehearsal and get the students settled before the parents arrive.

Lastly, we hope that you have all had an enjoyable term 2 and I look forward to working with all of you term 3.

Kindergarten Ruby

**1/2 PEARL**

Assalamu'alaykum,

Eid Mubarak Everyone! I hope you enjoyed your long weekend. It is wonderful to hear from all the students during news time what they did over the weekend.

This week we have jumped into doing exams for each of our subject areas and I am happy to see that they all have a much better understanding of how to do an exam. I am very proud of their hard work this week and I have rewarded them with some extra sport, art or story time after they finish their tests.

Pearl class, along with the rest of the school, have a focus this week of putting up their hand and waiting to be called on by the teacher. I am very encouraged by the students who are making every effort to do this. I have been rewarding different students daily with star cards to show them that I notice their efforts. Perhaps you could encourage your child to put their best effort in putting up their hands and let them know I will be looking to reward the students that are!

The students are definitely looking forward to their visit to Canberra in the last week of school. That will be a wonderful reward for them all to look forward to for their hard work this term. Thank you, as always, for your support.

Miss Clare

## 3/4 EMERALD

Assalamu Alaikum,

Another week is now history and we are fast approaching the end of term. This past week the students have been concentrating hard on doing their best and achieving the best mark possible for the end of term exams.

Week 9 we will be back into the normal curriculum itinerary, with week 10 being an extremely busy time for all with the school excursion taking place on the 4th of July and the end of term assembly on the Friday 6th of July. Reports are scheduled to be handed out on the Friday 6th of July, along with the students' portfolio containing the assessment pieces for the semester.

I hope everyone has enjoyed the term so far and I look forward to seeing you all at the assembly, if not beforehand.

If you have any concerns or questions regarding your child's progress or lack of, please don't hesitate to contact me through seesaw or contact the school office to arrange a suitable appointment time to discuss this further.

Kind regards, Ms Catherine

### Ms Amira

Alhamdulillah, week 7 was a short but sweet week of displaying and enjoying the final touches of Eid preparations. It was lovely to see students of S3 and S4 sharing the spirit of Eid as they bought Eid gifts for their loved ones with their siblings or friends.

I am happy to see students have returned after the Eid break with a sense of eagerness to start their End of Term Exams. An extension has been given to Year 5 and 6 students for their History project till Monday, next week. Students are reminded that normal class work will continue after the exams.

We will inshallah finalise the teaching and learning of the units of work by next week and celebrate the final week of the term with an excursion and end of semester assembly.

### Ms Sarah

Eid Mubarak,

Mashallah what a month! I wish you all the best during this time of the year.

Stage 3 and 4 had a surprise when they got back from their break, as we made up a new schedule, where the students move from one class to another. In the Hall we have a new TV. I can see students appreciate the new changes. Also, students found out that we are going to Canberra during the last week of school, we will be visiting the National Museum, Indoor Rock Climbing and then finish at the Beautiful Mosque in Canberra. Mashallah I can tell you I am thrilled to go and I am sure the students are too!

On a more serious note, this week and beginning of next week students are required to put in some hard work and effort, as it is Exam weeks. I highly encourage you, dear parents, to help your children and us, the teachers, by making sure students are up to date with their studies and ensure they are ready to sit their exams, you can do this by encouraging energetic healthy food such as: fruits and vegetables, no lollies!!

That is about it from me – Assalamu Alaikum 😊

## LETTERS

It is very important under legislation to keep up to date attendance records.

You may receive student absence letters from time to time, please complete these letters with a VALID reason of absence and return it to the school.

Disciplinary letters must also be returned with the parents comment and signature.

## CANTEEN

There has been some exciting changes to the canteen menu. Our canteen lady has added some yummy food items such as lasagne and pasta bake. These can come with a side of wedges and sour-cream or even mixed vegetables.

When you sneeze your heart stops for a milli-second!!  
Don't forget to say "Alhamdulillah"

# UPCOMING EVENTS

Date	Event
4 <sup>th</sup> July	Canberra Excursion – Notes due back by 27 <sup>th</sup> June
6 <sup>th</sup> July	End of Term Assembly 10:00am – Reports go home
24 <sup>th</sup> July	Back to School – First day of Term 3 for students
