

WE'RE GOING TO CANBERRA!

ALL THE NEWS THAT'S FIT TO PRINT BROUGHT TO YOU BY NEW MADINAH TIMES

End of Term 2!

Assalamu Alaikum Dear Parents & Carers,
Alhamdulillah who can believe we have reached the half way mark of the 2019 school year already? I certainly can't, Alhamdulillah for everything!

This term the school has initiated a 'Reading Club' where students are paired together to read for 10 to 15 minutes after school Mon to Thurs from 2:45pm.

This week students began taking their mid year exams and exams will continue into next week, may the results be pleasing in shaa Allah. The saying goes 'you reap what you sow'... students are to put in the effort and in shaa Allah they will certainly see the results.

Parents please note that due to the long holiday break taken for Eid all teaching programs and exams had to be pushed back 1 week to accommodate, this will delay the distribution of Semester 1 report cards to the first week back of Term 3.

On the 4th July 2019 all students will be going on an excursion to Canberra. All permission notes were distributed early this week, if you have not received it please contact me. Please ensure you read the details of each classes excursion and prepare your child for the excursion as required.

Kind regards, Ms Nada

Principal's Message

All praises be to Allah SWT and peace be upon his noble messenger Muhammad PBUH.

Assalaamu Alaykum Wa Rahmatullahi Wabarakatuh

I hope all families had a blessed and happy Eid Ul-Fitr! Student's were very excited to come back after Eid and share their stories! May Allah SWT bless our children and fill their hearts with contentment and imaan.

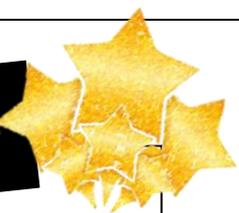

We are close to the end of term 2 with the term break fast approaching. During the next two weeks we have some exciting upcoming events including an excursion to Canberra on Thursday, 4th July and the end of term assembly on Friday, 5th July. Please read excursion notes thoroughly and return by the due date. As for the end of term assembly we look forward to seeing you all there.

End of term exams have started this week. Please encourage your children to try their very best and encourage them to aim high. This will help instill eagerness to achieve well and constantly do their best. Because of the break we had due to Eid Ul-Fitr, mid year reports will be handed out at the start of term 3.

CLASS LEARNING

AN INSIGHT INTO OUR GEMS WEEK OF LEARNING

K RUBY

Assalamu alaikum and welcome to the last 2 weeks of term. I would like to begin my last piece for this term by taking the opportunity to thank you. Kindergarten have been an incredibly well behaved, curious and engaging class this year. They have truly been a pleasure to teach!!! All of them have eagerly come to school each day with a huge grin on their face and a willingness to learn anything and everything. I am also grateful for the support at home that has come though this semester and I look forward to working with all of you next semester. Together we can give your children a positive and rich learning experience at this school.

Regarding the exams. Overall, I am very happy with kindergartens progress with the exams thus far. Most students have retained their concept knowledge for the semester and are providing some very pleasing results. They have managed to sit and complete their exams without out any complaints (Walla not a single one!!!).

Lastly, we have a lot on in the last 2 weeks so please make sure you keep up to date on seesaw and via the whatsapp NMC mothers group.

- Just a couple of dates to keep in mind are:
- 2nd of July – Kindergarten and year 2 fundraiser
- 3rd of July – School excursion to the Australian Botanical Gardens, CSIRO and the Heated Swimming pool. Please ensure students wear good waking shoes, have plenty of food, swimmers and a change of clothes in case their school clothes get wet
- 5th of July Class end of semester party- all students are to bring some food to share for the party on the day
- 5th of July – Assembly, presentations and items- Kindergarten will be doing their first Qu’ran recital

Kind Regards, Kindergarten Ruby

1/2 PEARL

Asalaamualaikum Families of Pearl class,

Can you believe we are nearly halfway through the year! SubhanAllah. After the Eid break we got straight back into work and the children have completed some of their assessments already. We’ll be finishing off the rest next week. The children are all making good progress alhumdulillah.

This term we’ve been focusing on building positive relationships in PDHPE. The children are learning how to share and talk together to solve problems and help others feel included. Whenever you can, help them to understand the importance of talking to solve problems rather than acting in anger and to seek help if they need it.

In History we’ve continued learning about historical building and people from around Young. Next week we will take a walk to the museum to finish off our local history study. If you would like to attend let me know and you can either arrange to meet us before we leave or at the museum.

Alhumdulillah, our class won the Ramadan best decorated competition thanks to all the amazing artwork the children have been producing in CAPA. InshaAllah we’ll be sending artworks home before the end of term. Fun Friday has proved to be a real hit with the children. Many are particularly interested in box construction. The freedom to make what they want and work together in small groups has really encouraged them. Please don’t throw away tissue/shoe/cereal boxes as these are a treasured resource for us. Send them in with your children and then they will come home again after they have been transformed into new and interesting creations.

We also have the Canberra trip coming up in the last week. Don’t forget to send notes back soon for both this and the museum trip. Until next term, inshaAllah, the Pearl class team pray you have a happy and safe end of term holiday. Regard, Ms Ellen

Regards

OF THE COLLEGE

3/4 EMERALD

Assalamu Alaikum students and parents,

Wow! I cannot believe that we are in Week 8 already! Time flies when you are having fun!

The students have been hard at work this week and will be next week as well because it is exam time! We have already completed our Reading and Comprehension, Persuasive Writing, PE, PDH and Handwriting. They have been working well during this time and there have been some fantastic results already! Well done, 3/4 Emerald and keep up the hard work! Students have also been working to their best of their ability during class time. They have been participating well and learning new skills and content through a variety of different subjects.

In Maths last week, students learnt about length and this week, they have been learning fractions. At first, it was a little difficult but now, we are performing well through this topic. I am amazed about how quickly they have acquired this new skill. In English, we have been learning persuasive writing. They have learnt a few new skills so be careful when they are asking you for something! In History, we have been learning about early explorers. They can recall a few facts about them, but a little revision should see them ready for their exam on Monday. In Science, we have been learning about solids, liquids and gases. Next week, we will be completing a hands-on activity by melting chocolate and enjoying it afterwards. Yum! I can't wait! They have also been completing their Science projects and bringing them in for the class. It is exciting to see the pride they have shown with this and the ability to share something they created for the class. Just a reminder that their assessment will need to be brought in by next Thursday and spoken about in this timeframe. In Art, we have been learning about Shadow puppetry and students enjoyed making people out of coloured paper and foil. Hopefully their art for this topic is just as good.

Also, we won class of the week last week! We were all very excited! It has been a while since we were able to bring the award in our class and display it with pride. The students worked very well for it last week but must remember the standard that must be reached to obtain it in the coming weeks.

Can parents start sending in their excursion notes and money asap. I do not want students to miss out on this fun excursion by forgetting their money or note at home. 😊 As Term 2 comes to an end and the holidays are approaching, I would like to wish everyone a safe and happy holiday! See you all in Term 3! Ms Amanda

5/6 SAPPHIRE & 7/8 DIAMOND

MR ADRIAN

Assalamu Alaikum parents and families,

We have nearly reached the end of term! There are exciting things ahead with the excursion to Canberra for both 5/6 Sapphire and 7/8 Diamond. The students will be going to fun places in Canberra and I trust that you have received the note about this. If not, please don't hesitate to contact the school or myself. In other news, the end of term assembly is also fast approaching.

Parents of 5/6 Sapphire, make sure you are there as it is Sapphire's turn to do a play. It will be based on our novel The Lemonade War. Shhh, the students don't know yet. Hopefully the students will shine as they have enjoyed the book thus far, and hopefully I am able to succeed in my debut as a director! Finally, examinations are in full swing. 5/6 parents, thank you for promoting the study that all students completed prior to their persuasive writing exam.

Parents of 7/8 students, note that your child will be required to produce study notes to me the morning of their History examination and probably their English examination too. I will update you via Seesaw about this, but your assistance and support in promoting study at home would be much appreciated. Also, have a great holiday! Hopefully you are going to escape the freezing weather in Young. Kind regards, Mr. Adrian

SCHOOL EXCURSION

4TH JULY 2019

Please ensure permission notes and payments are returned by the 28th June 2019.

Please review the details of the excursion notes carefully and prepare as required.

LATE ARRIVALS

It is vitally important students arrive on time for school every day.

Moving forward please be aware that regular late arriving students will be subject to lunch detention if no genuine written explanation is by the parent.

READING CLUB

The Reading Club is a group of strong and weak reading students paired together to help each other read.

Strong readers are given the opportunity to teach and weak readers are given the reading time and practice they need. What a great combination!

UPCOMING EVENTS

Date	Event
27 th June	Stage 1 Lambing Flat Museum excursion
3 rd July	K & Year 2 Fundraiser
4 th July	Whole school Canberra excursion
5 th July	End of term assembly – 10:00am

Sudoku Puzzle

Find our college values:

Every Sudoku has a unique solution that can be reached logically.

Enter numbers into the blank spaces so that each row, column and 3x3 box contains the numbers 1 to 9 without repeats.

				2	5		7	
		2			3	1	9	8
	8		1					2
	5	3			6	7	8	4
