2018 Year

It's Time to Celebrate!

Assalamu Alaikum Dear Parents & Carers,

MaashaaAllah we have now reached the final stretch of the 2018 school year. Students have now finalised their end of year assessments which are now being marked and compiled by teachers in preparation for the end of year report cards. InshaaAllah you can expect to receive your child's report card on the last day of school which is Wednesday 19th December.

During the next two weeks students will focus on completing their bookwork and in class activities. Teachers will also be gradually sending home all your child's workbooks, exercise books and the wonderful things they have completed throughout the year.

Alhamdulillah as the end of year approaches we would like to **celebrate together** with staff, students and parents the success and blessings Allah SWT has bestowed upon our school. The CPC will inshaaAllah host a Sunnah Day End of Year BBQ next week Friday the 14th December. We hope to see you all there.

May Allah SWT continue to shower our College with His barakah as we strive to please Him SWT. *Miss Nada*

Principal's Message

All praises be to Allah SWT and peace be upon his noble messenger Muhammad PBUH.

Assalaamu Alaykum Wa Rahmatullahi Wabarakatuh

It is unbelievable to think there are only 2 weeks left for the completion of the 2018 school year. Maa shaa Allah how the year has gone by so quick. I would like to congratulate the students for the hard work and effort they have put in this year. I am pleased to say we have seen tremendous progress in students academic level and behaviour since last year. In shaa Allah we would like to see students continue to exceed our expectation and grow as individuals who are proud to call themselves Muslims. I would like to thank the parents for their continued support of the College. May Allah SWT bless you and your beautiful families.

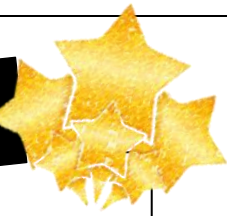

There is still so much on for the last 2 weeks of school. Excursions, Swimming Fun Day, Sunnah Day, Y6 Dinner and End of Year Assembly. Parents please feel free to join us on 13th at the pools and 14th at the End of Year BBQ, we would love to see you there.

I ask Allah SWT to give our wonderful College community goodness in the dunya and akhira. I hope you all have a wonderful holiday break, we look forward to seeing everyone in 2019! - Mouhamad Chmait - Principal

Assalamu alaikum! What a fantastic year kindergarten have had!!! Our Year in a snap shot 😊

1/2 PEARL

Assalamu Alaikum! It has been an amazing year! I have thoroughly enjoyed getting to know your children and being part of their learning journey. They are all wonderful unique individuals and you should be very proud of the advancements they have made this year. They have been working really hard on their assessments in the last two weeks and they will be rewarded with some really fun moments next week like our excursion to Wagga on Monday, our swimming day on Thursday and our fun day on Friday! This will be a great opportunity for the students to celebrate the year and have fun together.

I hope that when the time comes you all enjoy the summer holidays with your families.

Ms Clare

3/4 EMERALD

Alhamdulillah 3/4 Emeralds chapter for 2018 is closing with a great ending. I am proud to see the students progressing well in all Key Learning Areas. They have demonstrated great skills when developing their own simple machines and composing their own nursery rhyme song scripts.

Students have given their best effort in the final exams and are now looking forward to a week full of fun and celebrations. On Monday, we will inshallah be going to Borambola. On Thursday, we will inshallah have the swimming fun day at the local pools and Friday is a Sunnah Day BBQ for everyone, we hope to see you there.

I would like remind parents that the last day of school is on Wednesday 19th December and we will also be having an end of year class party after the presentation day assembly. Students will inshallah be given their textbooks, exercise books and other work activities during the last week of school. I wish all the students and their family a safe and enjoyable summer holiday. Looking forward to seeing you inshallah all next year.

Best Regards
Ms Amira

5/6 SAPPHIRE

Asalaamualaikum families,
We've done it! It's nearly the end of the year and all the assessments are out of the way. We have a fun filled week coming up so please remind your children to continue with good behaviour, so they don't miss out on any of the action.

On Monday we are off to Borambola sports and recreation centre where the children will experience archery, BMX bikes, rock climbing and they will also do a mud run. It should be a fun day. They will need to wear their sports uniform. They will also need their swimming uniform, a towel, a hat, water bottle, packed lunch and spare socks and underwear (also spare shoes that are okay to get muddy or they can borrow some from the centre). We'll take lots of photos and internet permitting, keep you posted throughout the day on Whatsapp, inshaAllah.

Tuesday and Wednesday will involve revision, fun activities and tidying up. Expect your child to bring home workbooks by the end of week 9. On Thursday we have the swimming carnival and on Friday there is Sunnah day with an afternoon of family fun.

Year 6 also have their end of year dinner coming up, which year 5 will also be attending this year. Year 5 should dress in smart casual clothes and year 6 in their best fancy clothes.

Praying you have a fruitful and safe weekend.
Ms Ellen

7 DIAMOND

Assalamu Alaikum parents,

Year 7 have finished all their exams and today have handed in their pillow cases for TAS and music project for CAPA. These will be marked over the weekend in time for reports to be written and student assessment folders to be given to you before the end of the year. Year 7 will also be heading to Jamberoo on Monday, which should be exciting for them. They will be in the care of Mr. Mouhamad and Ms. Nada, who I am sure will take good care of them. Students also have their swimming carnival to look forward. This should be a blast as the days have become hotter recently, with this weekend set to be a scorcher. This is all the information I have for now, but as always, please contact the school via phone or myself on Seesaw if you have any queries.

Yours Sincerely,

Mr. Adrian
